

The logo features the word "BUNZL" in white on a blue and green rectangular background. To its right, the word "Rafferty" is written in a large, bold, blue sans-serif font, with "Hospitality Products" in a smaller, blue sans-serif font underneath it.

Bunzl Rafferty Hospitality Products are specialists in the cosmetic and design industry priding ourselves on high standards of quality within our entire guest amenity portfolio. At Bunzl Rafferty we drive innovation and design and utilise our own in house laboratory to research, test and develop each range within our comprehensive portfolio, comprising of over 100 ranges.

Respect for harmony between humans and nature drives the core value of Bunzl Rafferty and form the rock solid foundation of our environmentally friendly ranges.

Bunzl Rafferty Hospitality Products:

- Conform to Cosmetics regulation, EU1223/2009
- Products are not tested on animals
- No child labour is used in the production of any of our products
- All products are dermatologically tested
- All products are Paraben free
- All leave-on products are Methylisothiazolinone (MIT) free

As a result of these superior values, Bunzl Rafferty Hospitality Products has been approved to use the internationally recognised green and vegan labels on selected product ranges.

To ensure only safe and qualitative products are offered, the Cosmetic legislation was extended with the directive EU1223/2009 being introduced into law from July 2013. To relieve you from any concern, Bunzl Rafferty Hospitality Products or our European partner manufacturers take full responsibility for all our cosmetic products. Bunzl Rafferty Hospitality Products are therefore listed as a producer on our generic ranges of guest amenities. This will give both you and your guests the guarantee that attention to detail has been paid to the development and production of a high quality safe product, guaranteeing that you can never be held liable for any complaint from your guests.
